

Uploading the presentation and preprint version of the RADECS paper

In order to upload your paper's material (presentation in case of oral paper presentation (ppt or pdf) and the conference preprint (only pdf)), please connect to [Indico](#), using the credentials you used when you submitted your paper).

Once logged in, you may access your paper by clicking the "My Contributions" tab

You will then be directed in the list of contributions you have to this conference (as an author or co-author). By selecting the respective contribution, you will be directed on the main page, at which you will be able to upload the materials by clicking the "pen" button next to the "Presentation Materials" section at the bottom of the page:

 Presentation Materials

There are no materials yet.

Once there, you will be directed to the "manage materials" page, where you can either upload files, or links that direct to the respective presentation materials:

Manage material ✕

 **Add materials to the contribution.**
You can attach files or links using the buttons on the right.

There are no materials yet.

By selecting “Upload Files” you will be directed to the upload files section. There, you may upload files, convert to pdf and configure the protection mode. You can also directly upload a pdf file. **ALL PRESENTATION MATERIAL AND FINAL VERSIONS OF THE PAPER MUST BE IN PROTECTED MODE.**

Upload files ✕

Drag file here

- or -

Convert to PDF YES

If enabled, your files will be converted to PDF if possible. The following file types can be converted: doc, docx, htm, html, odp, ppt, pptx, sxi

Folder

Adding materials to folders allow grouping and easier permission management.

Protected YES

 **Protected**
This object is **only** accessible by the **users specified** below and the **managers of parent resources.**

Access control list

The list of users and groups allowed to access the material

The deadline for the submission of the materials (presentation and preprint) is Friday, September 29th. If you have any questions concerning the uploading of the materials process, please contact the Indico submission support, Georgios Tsiligiannis, with Cc the Technical Program Chair, Julien Mekki by clicking [here](#).
